Drive Worry Free!

Getting a new car should be a carefree and enjoyable experience. Routine maintenance services may be needed and major mechanical breakdowns could occur even when your car is new, whether you own or lease it.

We have created a comprehensive protection plan designed especially to protect your new car against the unexpected, with coverage for items that the manufacturer's warranty may not cover.¹

Zero Deductible

The Century Select Care Program will add assurance that you'll be covered for virtually any mechanical failure. Plus, additional benefits¹ keep you going—wherever you are.

Our Select Care Program is one of the most comprehensive service plans in the United States, protecting almost all the components of your vehicle, with a remarkable \$0 deductible.

¹Limitations, restrictions and/or exclusions may apply. See The Century Select Care Program agreement for complete details.
