

**Repaired for You** is a limited Warranty parts program that is offered through dealership service departments. The consumer benefit includes a limited Warranty on eligible parts that covers both the cost of parts and labor for future repairs related to the Warranty.

---

### Repaired for You Program Details

- Only available on customer pay repair orders.
- Coverage under this Warranty begins on the date listed on the Original Repair Order and remains effective for the term of the contract or once the part is repaired in the future under the Warranty.
- If a Covered Part, listed on the Original Repair Order, fails during the term of the Warranty, Repaired for You will pay the cost for the Covered Part(s) and installation of the Covered Part(s) completed by the Repair Facility.
- We will cover up to Manufactured Suggested Retail Price (MSRP) for repair(s) of each Covered Part(s) and market appropriate labor rates.

### Dealer Advantages

- Allow dealers to provide part coverage to their customers.
- Help drive both new and returning clients to their service departments.
- Cost is built into the price of the part and/or labor so there is no added cost to the dealership.

### Custom Tailored to Fit

- Dealer has the ability to choose how the cost of the warranty is included on the RO. Additional amount added to the cost of the eligible part(s) and/or labor (recommended).
