See your agreement for a complete description of benefits and exclusions.

This brochure is not an agreement but is an outline of coverage available through the program. For complete details concerning terms, conditions, limitations, and exclusions, please refer to your program agreement or warranty. Certain coverages may overlap with the manufacturer's warranty, and where they do overlap, the agreement coverage is reduced by the duration or coverage of the warranty. Neither this brochure nor the corresponding agreement, are insurance products. California License No. 0C88598

LIMITED WARRANTY

Ensure your peace of mind and avoid the hassle of costly, unexpected repairs with a Limited Warranty.

Covered Components

Your Limited Warranty covers internal components of the engine, transmission, and drive axle.¹

Engine

All internally lubricated parts contained within the engine, including pistons, piston rings and pins, connecting rods, connecting rod bearings, crankshaft, crankshaft main bearings, camshaft, camshaft bearings, cam followers, timing chain, timing gears, rocker arms, rocker shafts, rocker bushings, valves, valve guides, valve lifters, valve springs, valve seals, valve retainers, push rods, water pump, oil pump, dipstick and tube, harmonic balancer, oil pan, timing chain cover, intake and exhaust manifolds, valve covers, engine mounts, cylinder block, and cylinder head(s) are covered if damaged as the result of the failure of a covered internal part of the engine.²

Transmission (automatic or standard)

All internally lubricated parts contained within the transmission case, plus: the torque converter, vacuum modulator, and transmission mounts. (Oil pan and transmission case, if damaged due to the failure of a covered internal part of the transmission).²

Drive Axle (front and rear)

All internally lubricated parts contained within the drive axle, plus: locking hubs, drive shafts, universal joints, constant velocity joints (unless failure was caused by torn/contaminated CV boot), and axle bearings. (oil pan and drive axle case if damaged due to the failure of a covered internal part of the drive axle).²

Towing Coverage Included

(see your salesperson for complete details).

¹ See individual plan for more details

² Any part not specifically listed above is not covered
