Powertrain500+parts covered¹

Engine

Internally lubricated parts contained within the engine, including pistons, piston rings and pins, connecting rods, connecting rod bearings, crankshaft, crankshaft main bearings, camshaft, camshaft bearings, cam followers, timing chain, timing gears, rocker arms, rocker shafts, rocker bushings, valves, valve guides, valve lifters, valve springs, valve seals, valve retainers, push rods, and oil pump. Water pump, dipstick and tube, harmonic balancer, oil pan, timing chain cover, intake and exhaust manifolds, valve covers, engine mounts, cylinder block, and cylinder head(s).

Hybrid / EV System

Battery coolant pump, battery cooling fan motor, hybrid generator, EV motor, input damper and inverter/converter, EV battery.

Turbocharger / Supercharger

(Factory installed only) Internally lubricated parts contained within housing, plus: housing.

Transmission

(Automatic or standard) Internally lubricated parts contained within the transmission case and the torque converter, plus: vacuum modulator, transmission mounts, oil pan, and transmission case.

Drive Axle

(Front and rear) Internally lubricated parts contained within the drive axle, plus: locking hubs, drive shafts, universal joints, constant velocity joints (unless failure was caused by torn/ contaminated CV Boot) and axle bearings, oil pan, and drive axle case.

Seals and Gaskets³

Standalone seals and gaskets are covered for all components listed in the Powertrain Coverage Plan.

Wrap Plus Coverage

Enhances your powertrain warranty. See your agreement for details of coverage options and exclusions.

Standard850+parts covered¹

The **Standard** package includes everything covered under **Powertrain** plus these items:

Air Conditioner

Compressor, compressor clutch and pulley, condenser, evaporator, idler pulley, and idler pulley bearing. The following parts are also covered if required in connection with the repair of a covered part listed above: accumulator/receiver dryer, orifice tube, oil and refrigerant, expansion valve, POA valve, and hi-low pressure cut-off switch.

Front Suspension

Upper and lower: control arms, control arm shafts and bushings, upper and lower ball joints, kingpins and bushings, stabilizer shaft linkage and bushings, spindle, and spindle supports.

Steering

Internally lubricated parts contained within the steering gearbox, power cylinder, rack and pinion gear, and power steering pump, plus: pitman arm, idler arm, tie rod ends and drag link; upper and lower steering column shafts and couplings, and steering box.

Brakes

Master cylinder, power brake cylinder, vacuum assist booster (excluding hydro-boost system), disc brake calipers, wheel cylinders, compensating valve, metal hydraulic lines, and fittings.

Electrical

Alternator, voltage regulator, starter motor, starter solenoid and starter drive, wiper motor(s), wiper motor relay(s) and delay switch(es), manually operated switches, and wiring harnesses.

Seals and Gaskets³

Standalone seals and gaskets are covered for all components listed in the Standard Coverage Plan.

High-Tech3000+parts covered¹

The **High-Tech** package includes everything covered under **Powertrain** and **Standard** plus these items:

Additional Electrical

Power window motors/regulators, power seat motor, convertible top motor (excluding regulators and frame), power sunroof motor (excluding regulators and frame), power door lock actuator, power antenna motor, digital/analog instrument cluster, mileage computer, electronic combination entry system, computerized timing control units, and electronic cruise control module.

ABS Brakes

Hydraulic control unit, electronic control processor, wheel-speed sensors/exciters, and hydraulic pump/motor assembly.

Front and Rear Suspension

Macpherson struts, shackle and eye shafts and bushings, torsion bars and bushings, wheel bearings and seals, automatic leveling unit compressor, sensor, and limiting valve.

Cooling

Radiator, fan and fan clutch, thermostat, engine cooling fan motor, and heater core.

Fuel System

Electronic fuel injection sensors, control units, electronic fuel delivery pump and injectors, vacuum pump, throttle position sensors, oxygen sensor, and metal fuel delivery lines.

Air Conditioner

Expansion valve, dryer tank, accumulator, POA valve, hi-low pressure cut-off switch, ducts and outlet hoses (interior), and automatic temperature control programmer.

Interior / Exterior

Glove box door and hinge, manually operated seat tracks, interior and exterior door handles, door hinges, map/courtesy light assembly (not bulbs), hood, rear hatch, and trunk gas shocks.

Seals and Gaskets³

Standalone seals and gaskets are covered for all components listed in the High-Tech Coverage Plan.

Comprehensive

Over 18,000+ Parts Covered!

With this plan, if it breaks...It's covered, unless it's listed in the exclusions.

- On-board computers, sensors and relays
- CD and DVD player*
- Radio assembly, speaker system and antenna*
- Anti-theft system*
- Navigational system*
- Convertible top frame and latches
- Sunroof frame and actuating mechanism
- Steering wheel and integrated components
- MacPherson struts
- Adjustable shock support
- Rear suspension control arms and bushings
- Torsion bars, coil springs and leaf springs
- Tire pressure sensors
- Manual and power retracting seat belt assemblies

¹ Refer to your Agreement for details of coverage.

² Refer to your Agreement for a full list of exclusions.

³ Vehicles with over 125,000 miles only cover seals & gaskets in conjunction with a covered repair.

Coverage Benefits

Vehicle Protection

Century Service will repair, replace or reimburse you for parts and labor to repair or replace any covered parts listed in your agreement (exclusions may apply).

National Acceptance

Century Service agreements are accepted by repair facilities nationwide. If a network repair facility isn't available, transient claims are paid by a Century Automotive Credit Card.

Trip Interruption*

In the event of a mechanical Breakdown occurring more than one hundred miles from Your home and caused by a part covered by this agreement, You may receive up to one hundred dollars per day for up to 3 days for meals and lodging. Receipts must be from licensed lodging locations and restaurants to qualify.

Rental Reimbursement*

If you are in need of a rental vehicle during a mechanical failure due to covered repair work, Century Service will allow rental coverage with no deductible.

Towing Coverage*

The Century Service plan provides for towing reimbursement when in conjunction with the repair of a covered item.

Increased Resale Value

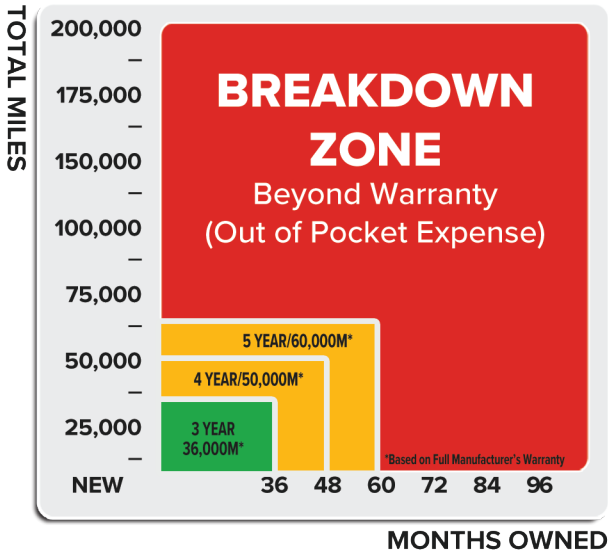

If you sell your vehicle, the remaining Century Service coverage can be transferred to the new owner, allowing you the possibility of a higher resale price.

Roadside Assistance

- 24-hr Roadside Assistance
- Flat tire change
- Vehicle jump start
- Lockout key recovery
- Emergency fuel, oil or coolant delivery

*Maximum limits apply, see your agreement for full details.

How Long Will a Factory Warranty Protect You?

Power Window Motor

\$930*

Computer Module

\$1,640*

A/C System

\$2,500*

ABS

\$2,380*

Transmission

\$7,500*

Control Arms

\$1,680*

Brake Calipers

\$960*

*For illustrative purposes only. Based on current labor and parts costs.
